

CMX Employees Share Holiday Spirit by Contributing to Worthy Causes across the Nation

MANALAPAN, NJ - December, 2008 – CMX employees, working in conjunction with the CMX Community Foundation, donated to a wide variety of charitable organizations during the holiday season in an effort to help local communities and those less fortunate have a happy and enjoyable holiday season.

Employees in New Jersey, Pennsylvania and Maryland worked with local Adopt-A-Family organizations, to give aide to families in need. Employees also contributed toys to the U.S. Marines' annual "Toys for Tots" charity drive, a program that provides toys, necessities, and joy to needy children in local communities. Employees from CMX's Parsippany office sent holiday cards to US troops serving oversees and also donated to a fellow sick employee. Employees from CMX's Voorhees office made donations to a local animal orphanage and employees from the firm's Lansdale office donated spare clothing to a local clothing drive.

In Arizona, CMX Employees aided the local Adopt-A-Family organization by collecting toys, clothing and household items. Their donations went to low-income families in the Phoenix area who would not otherwise be able to provide or receive gifts. CMX employees in Florida contributed the "Kid's Charity of Tampa", a non-profit organization whose mission is to improve the quality of life for foster children and foster families.

"It is truly wonderful to see so many employees helping those less fortunate during the holiday season. The generosity of CMX employees is very much appreciated," said Patrice Malleus, Chair of the CMX Community Foundation.

The CMX Community Foundation was established in 2004 to "make a difference" in the communities where the company's employees work, live and play. For more information on the foundation, visit the web site at www.cmxcommunityfoundation.org.
