

CMX Community Foundation Holds Two Successful Golf Fundraisers

MANALAPAN, NJ - November, 2008 – The CMX Community Foundation raised over \$53,000 to benefit its philanthropic endeavors supporting healthcare, education, children and communities throughout its regions. The Foundation's Northeast Golf Outing, its fourth annual golf fundraiser, had 106 golfers who enjoyed the day at Eagle Ridge Golf Club in Lakewood, New Jersey on October 6, 2008. The inaugural Southwest Golf Outing was held on October 27, 2008 at the Arizona Grand Golf Course in Phoenix, Arizona boasted 93 golfers. Together, the golfers and the sponsors of each of the golf outings provided necessary assistance to increase the available funding to further enhance the reach of the Foundation.

Patrice Malleus, the Chair of the CMX Community Foundation, stated "The huge success of the two golf outings goes a long way in helping us drive toward the goals of the Foundation. The generosity of our sponsors, friends and employees was evident in not only the financial assistance they provided, but it was also shown in their overall physical support of the event and in their volunteerism. I speak for all of our Trustees in extending a big 'thank you' to everyone involved."

The CMX Community Foundation was established in 2004 to "make a difference" in the communities where the company's employees work, live and play. For more information on the foundation, visit the web site at www.cmxcommunityfoundation.org.
