

Holiday Food Drive Co-Sponsored by the CMX XCELS and the CMX Community Foundation

MANALAPAN, NJ - November 25, 2008 – The CMX Community Foundation along with the CMX XCELS, a group of future leaders at CMX, held a holiday food drive to collect food and also donated time to benefit The Foodbank of Monmouth and Ocean Counties. Due to the economy and the price of food, donations at food banks are down. As a result of the Holiday Food Drive, more than \$1,000 in food and donations was contributed to the food bank.

“It’s wonderful to see the CMX community gather together for such a great cause,” said George McCann, Chief Executive Officer at CMX. “CMX XCELS include many of the rising stars at CMX, and their leadership made this event happen.”

CMX’s contributions will help numerous people in need this holiday season. The donations were delivered to the Foodbank on Sunday, November 16th by the CMX XCELS and the Middletown Township’s high school sports program. Student athletes, parents, faculty, Board of Education members and CMX employees participated in the event.
