

SCHOOR DEPALMA COMMUNITY FOUNDATION SECOND ANNUAL GOLF OUTING A RESOUNDING SUCCESS *Event Builds on Success to Further Philanthropy*

Manalapan, NJ – October 17, 2006 - The Schoor DePalma Community Foundation (SDFC), the philanthropic arm of the engineering and consulting firm Schoor DePalma, recently held its Second Annual Golf Outing at Sea Oaks Country Club, Little Egg Harbor Township, NJ.

The Schoor DePalma Community Foundation golf outing proved very successful in benefiting several charitable organizations, including the event's primary beneficiary The Eden Family of Services. The Eden Family of Services is an organization that provides assistance to children and adolescents with autism.

"Our annual golf outing is an important fundraiser for the Foundation, and we are very appreciative of the generosity of all that attended and supported our outing," stated Noreen Bodman, Executive Director of the Schoor DePalma Community Foundation. "The funds raised will certainly help those in need."

The success of the event relies on the charity of its sponsors, golfers, contributors, and volunteers. The Foundation would like to thank our corporate sponsors including: Pepper Hamilton, Napco, Trivest, Accutest, Atlantic City Electric, Autodesk, Commerce Insurance Services, Giordano, Halleran & Ciesla, K. Hovnanian Companies, Levy Madison, MWW Communications, Pulte Homes, Signal Control Products, Sovereign Bank, and Tonio Burgos & Associates. In addition, Joseph Mezzina, owner of the Sea Oaks Country Club, donated several foursomes of free play at the club, and David C. Wintrode of Causeway Ford donated a Ford Fusion as the hole-in-one prize. Finally, our special guest, Bernie Parent, Honored Member of the Hockey Hall of Fame, helped to publicize the event.

Schoor DePalma has long held the belief that it has a responsibility to support the local communities it serves on an ongoing basis. This philosophy led to the creation of the SDFC in 2004. Since its inception the Foundation has donated over \$750,000 to benefit causes as far reaching as relief efforts for international disasters and as close to home as hardship assistance for individuals within the firm. Their community outreach programs support a number of educational, emergency, cultural, medical, and social needs of the community.
