

SCHOOR DEPALMA COMMUNITY FOUNDATION CONTRIBUTES TO ST. MARY MEDICAL CENTER

Charitable Extension of Manalapan Firm Pledges \$5,000 for Capital Program

Langhorne, PA – November 3, 2007 – The Schoor DePalma Community Foundation (SDCF), the philanthropic arm of the engineering and consulting firm Schoor DePalma, recently pledged a donation of \$5,000 to St. Mary Medical Center’s Capital Campaign, Access to Excellence When Nothing Else Matters. The major expansion and modernization will significantly increase St. Mary’s ability to provide critical health care services to the community. The Capital Campaign’s proposed enhancements in infrastructure, new equipment, and technology will enable St. Mary to continue fulfilling its mission of delivering faith-based, high-quality, compassionate healthcare for years to come.

“The generosity of The Schoor DePalma Community Foundation is very much appreciated,” stated Ruth Cila, a Director for the St. Mary Medical Center Foundation. “Their philanthropy helps lead our Capital Campaign to its eventual successful conclusion.”

“We are very proud to assist St. Mary’s in achieving their fundraising goals. Their expansion and modernization goals will keep the hospital on the cutting-edge in providing superb healthcare in the future,” said Noreen Bodman, Executive Director of the Schoor DePalma Community Foundation.

Schoor DePalma has long held the belief that it has a responsibility to support the local communities it serves on an ongoing basis. This philosophy led to the creation of the SDCF in 2004. Since its inception the Foundation has donated over \$600,000 to benefit causes as far reaching as relief efforts for international disasters and as close to home as hardship assistance for individuals within the firm. Their community outreach programs support a number of educational, emergency, cultural, medical, and social needs of the community.
